Detailed Specifications

Standard-fit equipment for the Peugeot Landtrek 1.9L Euro 4 configuration.

Seating	
ITEM	DETAILS
Total seating capacity	5 seats
Front seats	2 individual front seats
Rear seat	3-seat bench with 3-point seat belts and a 60/40 split cushion and backrest

Powertrain	
ITEM	DETAILS
Engine	Diesel 1 — D20T, 1.9 L, 150 hp, compatible with Euro 0/1/2/3/4/5 emission standards
Emission standard (this configuration)	Euro 4
Engine undertray	Protective metallic engine board
Transmission	6-speed manual, 4WD, Getrag

Suspension & Steering	
ITEM	DETAILS
Front suspension	Double wishbone independent suspension
Rear suspension	Leaf spring
Driver position	Left-hand drive
Power steering	Hydraulic power steering (HPS)
Rear differential lock	Manually activated, standard on 4x4 versions

Tires & Wheels	
ITEM	DETAILS
Wheels	16" steel wheels, standard across the range
Wheel covers	Steel wheel half covers (steel wheels only)
Center caps	Peugeot-branded center caps for steel wheels
Spare wheel	Full-size 16" steel spare wheel, matching the standard wheels
Spare wheel toolkit	Jack bar, jack, screwdriver, spanner and wheel nut wrench, carried in a small black bag

Steering Wheel

ITEM	DETAILS
Steering wheel	P.U. (polyurethane) multi-function steering wheel with controls for radio, Bluetooth phone, RDS, volume, cluster display mode and station/track selection. No cruise control/speed limiter and no voice recognition on this radio entry level.
Steering wheel adjustment	Adjustable forward/back and up/down (4-way), with no variation across the range

Braking System

ITEM	DETAILS
Front brakes	Vented discs (16" wheels) with fixed calipers
Rear brakes	Drum brakes
Handbrake	Manual handbrake
ABS / EBD	Anti-lock braking with electronic brakeforce distribution (no PBA/AFU brake assist)

Seat Belts & ISOFIX

ITEM	DETAILS
Front seat belts	3-point belts with force limiters for driver, front passenger, and center passenger on bench-seat versions; standard on entry-level versions with no additional regulation
Rear seat belts	3-point belts for all rear seating positions
Seat belt reminder	Audible and visual warning on the driver's seat when the belt is not fastened
Seat belt height adjustment	Adjustable on front row; standard on double cab, not available on single cab
ISOFIX	Child seat interface with 2 ISOFIX points on the outer rear seats
Top tether	2 top-tether anchor points for ISOFIX child seats

Airbags

ITEM	DETAILS
Airbags	Driver and front passenger airbags (2 total), with a dashboard-mounted cut-off switch

Doors, Locking & Alarm

ITEM	DETAILS
Engine immobilizer	Electronic anti-theft immobilizer, same solution as used by PSA
Key	Mechanical key without remote control; the spare key is also mechanical and linked to the manual windows and manual exterior mirrors
Child safety lock	Manual child lock on both rear doors (double cab)

Instrument Cluster & Display

ITEM	DETAILS
Instrument cluster	Self-luminous cluster with a 3.5" monochrome TFT matrix display, available in 11 languages
Gear shift indicator	Up/down shift indicator, manual transmission only
Clock	Displayed on the radio or touchscreen

Interior Lighting

ITEM	DETAILS
Front interior light	Map-reading light
Rear interior light	No separate map light; turns on automatically when the rear doors open. Not available on single cab.
12V outlet / cigar lighter light	Illuminated 12V socket for charging devices, on the central console or front console when no central console is fitted

Exterior Lighting

ITEM	DETAILS
Headlights	Halogen, entry-level; not compatible with automatic lighting or automatic wipers
Daytime running lights	Bulb-type, built into the halogen headlamp
Front fog lights	With cornering function; also available with the black bumper on entry levels
Rear lights	Entry-level bulb lamps
High-mount stop lamp	Mounted on the body if no roll bar is fitted, or on the roll bar when one is standard

Windows

ITEM	DETAILS
Glass	Lightly tinted green glass
Front windows	Manual winders, entry-level equipment on both single and double cab
Rear windows	Manual winders, matching the front
Windscreen wipers	Front windscreen with intermittent wiper
Wiper blades	Flat blade wipers, compatible with standard single blades for the aftermarket
Windscreen washer	Standard windscreen cleaning fluid system

Air Conditioning

ITEM	DETAILS
HVAC	Single-zone manual air conditioning
Rear vents	Rear footwell air vents, standard on all double cab versions

Infotainment

ITEM	DETAILS
Radio	Entry-level radio (no DAB+): AM/FM with RDS, MP3-compatible, Bluetooth for calls and music, available in 11 languages
MP3 playback	Standard on both the radio and touchscreen radio, via Bluetooth or USB only
Bluetooth	Pairs with compatible smartphones for calls and music; no dial-pad function on the base Bluetooth radio
Speakers	4 door-mounted speakers; not available on single cab

Seats

ITEM	DETAILS
Seat trim	Seat set #6 — 1-piece design, left-hand drive, without side seat belt reinforcement or side airbags

Interior Equipment

ITEM	DETAILS
Floor covering	Vinyl floor covering
Front grab handles	One handle on each A-pillar, for driver and front passenger
Rear grab handles	One handle on each B-pillar, for 2nd-row passengers
Roof grab handles	1 on single cab, 3 on double cab (roof-mounted)
Driver's sun visor	Sun visor at the driver's seat
Ticket holder	Bill/ticket fold built into the driver's sun visor
Passenger's sun visor	Sun visor at the front passenger seat
Interior rear-view mirror	Standard across the range
12V outlet / cigar lighter	Standard
4WD selector knob	Black textured rotary knob to switch between 4x2, 4x4 High and 4x4 Low

Storage

ITEM	DETAILS
Glove box	Smooth-opening cover
Cooled glove box	Cooling function available with both manual and automatic HVAC; no heating function
Storage bin behind handbrake	Part of the central console; not linked to A/C
Armrest behind handbrake	Part of the central console; not linked to A/C
Cup holder	On the central console
Passenger cup holder	1 additional cup holder on the dashboard for the front passenger
Front door storage	Sized to hold a 1.5 L bottle plus an A4 document
Rear door storage	Sized to hold a 0.6 L bottle
Overhead glasses box	On the roof, next to the interior light
Card slot	On the dashboard, driver's side
2nd-row floor storage	Open storage area (no cover) for the tool kit and jack, under the carpet/vinyl floor

Exterior Parts

ITEM	DETAILS
Bumpers	Black injected plastic front bumper (unpainted, textured) and matching black rear bumper
Skid plate	Integrated black skid plate, no additional parts required
Horn	Entry-level horn, standard across the range
Front mud flaps	Standard
Rear mud flaps	Standard
Exterior water deflector strips	Black
Exterior mirrors	Manually adjusted, black textured finish only
Rear window protection	Metallic, body-colored protective fence with lateral stops/hooks
Badging	"Peugeot Landtrek" sticker and name plate on the tailgate

Antenna

ITEM	DETAILS
Antenna	Shared external antenna, mounted at the rear on double cab and at the front on single cab

Cargo Bed

ITEM	DETAILS
Cargo bed light	Built into the 3rd (high-mount) stop light
Tie-down hooks	6 hooks on single cab, 4 hooks on double cab

Color & Trim	
ITEM	DETAILS
DASHBOARD	
Dashboard	Black injected plastic
DASHBOARD DECOR	
Dashboard trim	Black painted finish (Level 0)
CLUSTER RING	
Instrument cluster surround	Black painted finish (Level 0)
VCI SWITCHES BEZEL	
Switch bezels	Matt black paint finish
INTERIOR DOOR HANDLE (COI)	
Interior door handles	Black injected plastic
DOOR GRIP HANDLE	
Door grip handle trim	Black injected plastic with a textured (unpainted) finish (Level 0 / Level 1)
WINDOW LIFT PUSH	
Window winder handles	Black injected plastic
GEAR SHIFT BEZEL	
Gear shift surround	Black textured injected plastic (Level 0), for both manual and automatic transmissions
CONSOLE CUP HOLDER RING	
Cup holder ring	Black textured injected plastic
GEAR SHIFT KNOB & COVER	
Manual gear knob	Shiny black sides with a chrome trigger and ring, PU shift gaiter grille and boot
FRONT AIR VENT BEZEL (3 PARTS)	
Front air vent surrounds	Black painted plastic (Level 0), 3-piece
REAR AIR VENT BEZEL ON CENTRAL CONSOLE (WITH OR WITHOUT FACE REAR BLOW)	
Rear console vent surround	No rear vent fitted; chrome-painted bezel (Level 0)
SCORPION TAIL	
Handbrake lever trim ("scorpion tail")	Black textured injected plastic
TOGGLE SWITCHES	
Toggle switches	Black textured injected plastic
Toggle switches (alt. finish)	Matt chrome finish
DOOR ARMREST	
Door armrests	Black plastic, for manual-window doors
CENTRAL CONSOLE	
Central console	Standard across the range

ITEM	DETAILS
CENTRAL CONSOLE ARMREST	
Central console armrest	PVC-wrapped with contrast stitching (PVC V210 with Zephyr grey stitching)
EXTERIOR DECORATION PARTS	
Body color	Ceramic White (opaque, CBU)
Front grille	Matt black injected plastic
Upper grille badge surround	Matt black injected plastic
Trim bezel	Matt black injected finish
Exterior mirrors	Black injected plastic with textured finish; available with manual or electric windows
Door and cargo bed handles	Black injected, unpainted door handles; cargo bed handle also black injected, matching the black exterior mirrors

Additional Technical Requirements

ITEM	DETAILS
Engine ECU calibration	Standard-climate calibration (a separate calibration is available for very hot climate markets)
Radio frequency band	Africa & Middle East radio frequency band
